RESOLUTION NO 29-93

A RESOLUTION OF THE NAVAJO COUNTY BOARD OF SUPERVISORS
ADOPTING AN AMENDMENT
TO THE NAVAJO COUNTY ZONING ORDINANCE

The Navajo County Board of Supervisors does resolve as follows:

SECTION 1. The Board of Supervisors does hereby declare and determine the following recommended amendment was duly given and published, that a Public Hearing was duly held on the 8th day of February, 1993, and that the public necessity, convenience and general welfare and good zoning practice require that the following amendment and change be made.

SECTION 2. The Board of Supervisors hereby adopts the change and amendment of the text of Article 23, entitled Sign Regulations, of the Navajo County Zoning Ordinance to read as follows:

SEE ATTACHED

APPROVED AND ADOPTED this 8th day of March, 1993

Chairman
Navajo County Board of Supervisors

ATTEST:

Clerk of the Board

ARTICLE 23 - SIGN REGULATIONS

Section 2301 - Purpose

The purpose of this section is to: 1) maintain traffic and public safety, 2) promote the attractiveness of communities for local economic development and growth; and 3) allow for adequate and effective signs for communicating identification while preventing signs from dominating the visual appearance of the area in which they are located.

Section 2302 - Definitions

For the purpose of this ordinance, the following words shall be as specified below and in accordance with Section 3001, General Rules for Construction of Language.

Advertising Copy

A message placed or caused to be placed before the public by a person or business enterprise directly involved in the manufacture or sale of the products, property, accommodations, services, attractions, or activities that are offered or exist for sale or for hire.

Building Wall

The entire surface area, including windows and doors, of an exterior wall of a building. For the purposes of this ordinance, the area of a wall will be calculated for only the first three stories, or 45 feet in height of a building, whichever is less.

Canopy

A permanent structure other than an awning made of cloth, metal or other material attached or unattached to a building for the purpose of providing shelter to patrons or automobiles or as a decorative feature on a building wall. A canopy is not a completely enclosed structure.

Changeable Copy

Copy that is or can be changed manually in the field or through mechanical means. e.g. readerboards with changeable letters.

Copy

Any words, letters, numbers, figures, characters, symbols, logos, or insignia that are used on a sign display surface area.

Farm Product Sales

Seasonal sale of farm products raised on the premises or where products are raised as an accessory to a residential use.

Grade

The height of the top of the curb, or if no curb exists, the height of the edge of pavement in the lane of travel adjacent to the sign.

Linear Frontage

The length of a property abutting a public right-of-way from one side lot line to another.

Logo

A business trademark or symbol.

Parapet

That portion of a building wall or false front that extends above the roof line.

Sight Distance Triangle

The triangular area formed by a diagonal line connecting two points located on intersecting right-of-way lines each point being 35 feet from the intersection, and the two intersecting right-of-way lines, or 50 feet back from the curb line, whichever is greater. On some occasions, the County Engineering Department may require additional sight zones as deemed necessary to provide adequate safety for motorists.

Sight Distance Triangle

Sign

Any device for visual communication, including any structure or natural object apart thereof, that is used for the purpose of bringing the subject thereof to the attention of the public, but not including any flag, badge or insignia of any government or governmental agency, or of any civic, charitable, religious, patriotic, fraternal or similar organization.

Sign Face Area

The area within a single, continuous perimeter enclosing the extreme limits of characters, lettering, logos, illustrations or ornamentalations, together with any material or color forming an integral part of the display or to differentiate the sign from the background to which it is placed. Structural supports bearing no sign copy shall not be included in the sign area. If a sign is attached to an entrance wall or fence, only that portion of that wall or fence onto which the sign face or letters are placed shall be calculated in the sign area. Only one side of a sign shall be included in the calculation.

Sign Height

The distance measured from the highest point of a sign to the base of the sign at the ground.

Sign Structure or Support

Any structure that supports or is capable of supporting a sign including decorative cover.

Flashing Sign

A sign that uses an intermittent or flashing light source to attract attention.

Free-Standing Sign

Any sign that is not affixed or attached to a building and is securely and permanently mounted to the ground. Such sign may be a ground mounted sign, pole sign, or monument sign.

Government Sign

Any temporary or permanent sign erected and maintained for any governmental purposes.

Ground Mounted Sign

A sign which extends from the ground or which has a support which places the bottom thereof less than 2 feet from the ground.

Identification Sign

A sign which displays only the name, address, and/or crest, or insignia, trademark, occupation or profession of an occupant or the name of any building on the premises.

Illuminated Sign

A sign either internally or externally illuminated and in accordance with the Navajo County Lighting Ordinance.

Incidental Sign

A sign used in conjunction with equipment or other functional elements of a use or operation. these shall include, but are not limited to drive through window menu boards, and signs on automatic teller machines, gas pumps, vending machines, or newspaper delivery boxes.

Memorial Sign or Plaque

A sign designating names of buildings and/or date of erection and other items such as architect, contractor, or others involved with the building's creation, cut into or attached to a building surface.

Monument Sign

A monolithic sign in which the bottom of the sign is flush with the ground and the vertical dimension of the sign is greater than the horizontal dimension.

Nonconforming Sign

Any sign which was lawfully erected in compliance with applicable code provisions and maintained prior to the effective date of this ordinance, and which fails to conform to all applicable standards and restrictions of this ordinance.

Off-Premises Sign

A sign that directs attention to a business commodity, service, or establishment conducted, sold, or offered at a location other than the premises on which the sign is erected

On-Premises Sign

A sign that directs attention to a business commodity, service, or establishment conducted, sold, or offered on the premises on which the sign is erected.

Outdoor Advertising Sign

A type of sign, generally, but not limited to, a rigidly assembled sign, display, or devise, usually free standing that is affixed to the ground or to a building, the primary purpose of which is to display advertising posters. Such signs commonly referred to as "billboards" are generally designed so that the copy or poster on the sign can be changed frequently and the advertising space is for lease.

Planned Development Sign

A sign used in conjunction with an approved planned residential, office, businesses, industrial or mixed use development.

Pole Sign

A detached sign erected and maintained on a freestanding frame, mast, or pole and not attached to any building but not including ground-mounted signs.

Portable or Moveable Sign

A sign that is not permanently attached to the ground, a structure, or a building that can easily be moved from one location or another. For example, a sign on wheels.

Projecting Sign

Any sign other than a wall, awning, canopy, or marquee sign, which is affixed to a building and is supported only by the wall on which the sign is mounted.

Public Interest Sign

A sign on private property that displays information pertinent to the safety or legal responsibilities of the general public such as warning and no trespassing signs.

Real Estate Sign

A sign that is used to offer for sale, lease, or rent the premises upon which such sign is placed.

Primary Sign

The main or principal sign located on a premises.

Roof Sign

A sign erected or maintained in whole or in part upon or over the roof or parapet of a building.

For the purposes of this ordinance vehicular signs shall not include business logos, identification or advertising on vehicles primarily used for other business purposes.

Wall Sign

Any sign directly attached to an exterior wall of a building or dependent upon a building for its support with its exposed face parallel or approximately parallel to the plane of the building or structure on which the sign is affixed. Signs directly painted on walls shall be considered wall signs.

Window Sign

Any sign attached to or directly applied onto a window or glass door of a building intended for viewing from the exterior of such building.

Section 2303 -- Procedures

1) Permit Required

Except as otherwise provided in this ordinance, in Section 2306, it shall be unlawful for any person to erect, construct, enlarge, move or replace any sign or cause the same to be done, without first obtaining a permit for such sign from the Building Safety Department as required by this ordinance for sign locations under the jurisdiction of Navajo County.

Notwithstanding the above, changing or replacing the permanent copy on an existing lawful sign shall not require a permit, provided the copy change does not change the nature of the sign such as to render the sign in violation of this ordinance.

2) Application and Issuance of Permit

Applications for permits shall contain the following information:

- a. The street name and street number of the building or the structure to which the sign is to be erected, or the tax parcel identification number of the lot onto which the sign is to be located.
- b. Names, addresses, and telephone numbers of the applicant, owner of the property on which the sign is to be erected or affixed, the owner of the sign, and the licensed contractor erecting or affixing the sign.

- c. If the applicant is not the owner of the property on which the sign will be located, written permission from the property owner or a designated representative stating agreement that the sign may be erected on the parcel for which the permit has been applied shall be required.
- d. A site or plot plan of the property involved, showing accurate placement of the proposed sign.
- e. Two (2) blueprints or inked, scaled drawings of the plans and specifications of the sign to be erected or affixed as deemed necessary by the Planning and Building Safety Department Director. Such plans may include but shall not be limited to details of dimensions, materials, copy, and size of the proposed sign. For wall signs, dimensions of the building wall on which the sign is to be affixed and the location and the size of existing wall signs shall also be included.
- f. Applications for permits for outdoor advertising signs, in addition to the above information, shall contain a survey prepared by a registered surveyor showing at least the following: the location of all outdoor advertising signs within 1,000 ft. on the same side of the street and within 500 ft. on the opposite side of the street; structures within 20 ft.; residential districts and institutional uses within 500 ft.; and applicable setbacks and side or rear yards in the zoning district.
- g. Locations of addresses in accordance with the County Address Ordinance. No permit for a sign shall be issued unless the provisions of the Address Ordinance have been met or will be met with the erection of the sign.
- h. Other information as the Director of the Building Safety Department may require to determine full compliance with this and other applicable codes.

3) Issuance of Permits

Upon the filing of an application for a sign permit, the Building Safety Department shall examine the plans and specifications, and as necessary, may inspect the premises upon which the sign is proposed to be erected or affixed. If the proposed sign is in compliance with all the requirements of this ordinance and other applicable codes, a permit may be issued. Any permit issued in accordance with this section shall automatically become null and void unless the work for which it was issued has visibly been started within 6 months of the date of issue or if the work authorized by it is suspended or abandoned for one year.

4) Fees

To obtain a sign permit, all fees, in accordance with the associated fee schedule, shall be paid.

5) Final Inspection

Upon notification or completion by the permit holder, the Building Safety Department shall make a final inspection of the sign to verify conformance with applicable codes.

Section 2304 - General Provisions

The following provisions shall apply to all signs.

1) Construction Standards

All signs shall be constructed and installed in accordance with the applicable provisions of this ordinance.

2) Electrical Standards

All illuminated signs shall be installed in accordance with the applicable provisions of the National Electrical Code.
